

Strategic Plan

We are

Our Vision: Kaipātiki – a place where community and the natural environment flourish

Our Purpose: To inspire, educate and resource people to make positive change in our natural environment and community

How we do it... We will focus on delivering positive change through the following 5 strategic pillars:

PLACE 	SUSTAINABILITY 	PEOPLE 	COLLABORATIVE PARTNERSHIPS 	KNOWLEDGE AND RESOURCES 
<p>We enrich people's connection to their local place and environment</p> <hr/> <p>We work hard to deliver positive outcomes in</p> <ul style="list-style-type: none"> » Pest eradication » Restoration » Biodiversity » Community connection to te whenua, te awa and one another <hr/> <p>We provide a hub for uniting the community around positive environmental change</p>	<p>We contribute to a more sustainable Kaipātiki and lead and support climate crisis mitigation action</p> <hr/> <p>We embody sustainable operational practices in all our work with our HQ "Puāwai" as a community model</p> <hr/> <p>We are a financially sustainable organisation with diverse funding streams</p>	<p>We empower and value people</p> <hr/> <p>We use our expertise to engage, teach and foster positive change</p> <hr/> <p>We are actively growing and strengthening our, community, member and volunteer base</p> <hr/> <p>We are attracting innovators and movers and shakers to our organisation</p> <hr/> <p>We are inclusive and embrace diversity</p>	<p>We actively collaborate with and support other organisations to drive positive change</p> <hr/> <p>We recognise Te Tiriti o Waitangi and seek to develop strong, positive, meaningful relationships with mana whenua</p> <hr/> <p>We share openly</p> <hr/> <p>We are transparent, trusted partners who deliver</p>	<p>We collect, build and share best practice and knowledge</p> <hr/> <p>We actively seek new technology and thinking, which we evaluate and adapt to deliver on our purpose</p> <hr/> <p>We resource the community and reserve groups with tools, equipment and expertise to engage in ecological restoration</p>
